What is the definition of a Mastering Wealth Graduate?

Graduates are individuals who have completed one or more of the following:-

- A Mastering Wealth education programme eg: ***2 Day Stock & Options Course***.
- Subscribed to one or more of the ***Mastering Wealth Auto Trade Services***.

Free 90 Minute one on one session with Bill Ryan

After you have completed your ***2 Day Stock & Options Course***, you will be invited to spend a 90 minute ***free*** session with Bill Ryan. Prior to this session, it is preferred that you have opened and funded your online trading account so that when you leave Bill's office you will be ready to begin trading immediately.

At this meeting, Bill will go over the content of the course, answer your questions and assist you with what areas you really need to focus on to get started. Many clients find that this meeting provides them with the confidence they need to begin their trading and clarifies many things they may not be quite clear on.

Affiliate Programme

As a Graduate, we automatically register you for our ***Affiliate Programme***. There is no cost associated with becoming an Affiliate and better still, you will be rewarded every time you refer a client.

Graduate Support Group

Mastering Wealth conducts a monthly ***Graduate Support Group*** with the exception of January. In order to attend you must first become a ***Mastering Wealth Graduate***.

At these events, there will be formal and informal parts to the evening that will run for up to three hours. The purpose of these evenings is to provide ongoing training, support and education to our Graduates to ensure their success. They will also have the opportunity to meet and talk to other Graduates to hear how they are going with their trading and other investment activities.
